RESPONSE TO OFFICE ACTION

The Commissioner of Patents
and Trademarks
Washington, D.C. 20231

In response to the Office Action dated 12/31/02, for which a response is now due, the period of time having been extended under 37 C.F.R. §1.136(a), please consider the following amendment and remarks.

AMENDMENT

In the Abstract:

In the abstract, please delete the abstract and insert the following abstract.

Abstract

The present invention relates to a method for releasing a ligand from a complex of the ligand with an endogenous protein using a releasing agent.
